

Allergen Information Folder

At Lemongrass Fusion, we prioritise the accommodation of allergies and the safety of our customers. While we take every precaution to handle allergic ingredients with care, we must inform you about the risks of cross contamination in our kitchen.

While we have strict protocols in place to minimise cross contamination, we cannot guarantee an allergen free environment. Customers with severe allergies or sensitivities should exercise caution when consuming our food products.

If you have any further questions, please speak with a member of our management team.
